www.tvcog.net

TVCOG is broken into different equipment zones. The first floor includes a kitchen, meeting rooms, private floor space, 3D printing, laser cutting, electronics, fiber arts, and the THINQubator, our children's makerspace.

First Floor

● This indicates a live workshop demonstration in the zone.

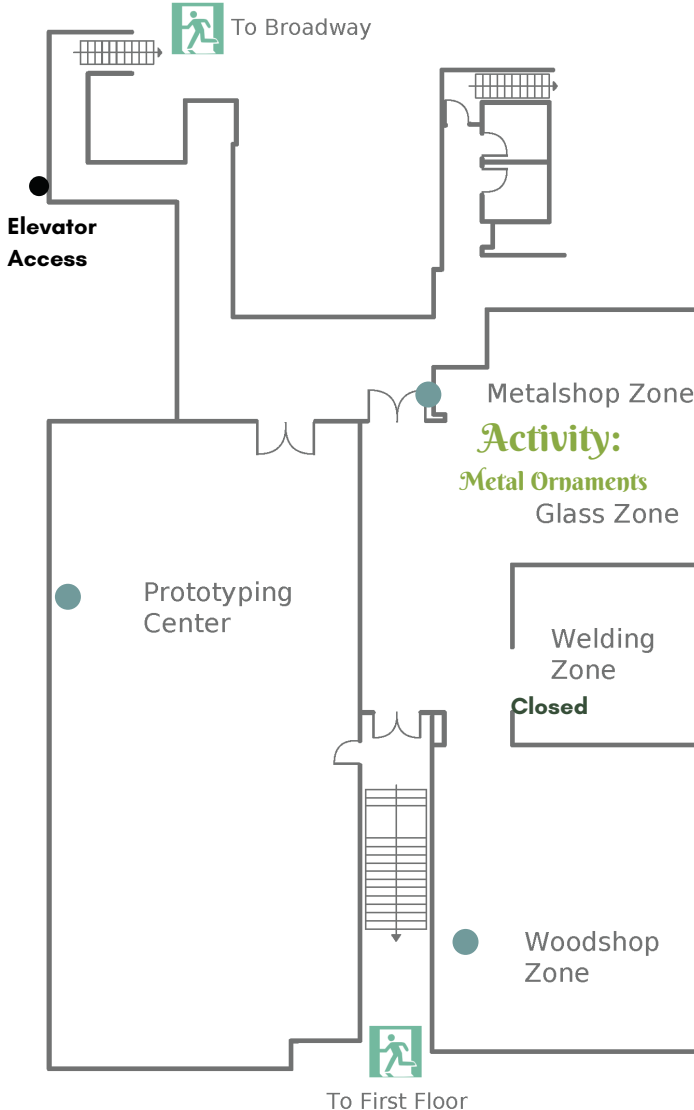

Special Activities & Highlights:

- The Maker's Market, hosted by local artists Yamaguchie and Nocturnal Fairy Co. features locally owned small businesses and spotlights handmade goods.
- Make metal jewelry from 11am-1:30pm in the Fiber Arts Zone. \$10 donation, ages 12+
- Make a drawing robot in the THINQubator. FREE, for children ages 4-12 and their families.
- Meet "Troy Glow" artist Jerry Huang, 1-4pm. See the installation all month long!

The basement has more heavy-duty equipment, including our woodshop, metalshop and welding zones. The Prototyping Center houses advanced equipment designed to support prototype iteration and short-run manufacturing.

Basement Floor

Special Activities & Highlights:

- With a \$50 donation, you will receive a limited release machined holiday ornament made right here in front of your eyes in our metal shop. You even have with the option to get some hands-on experience and personalize it! Any hands-on work must be completed by individuals ages 14+

About Tech Valley Center of Gravity

or, as members affectionately call it, "TVCOG" or "The CoG"

What is the CoG?

We are a 501c3 non-profit makerspace.

What is a Makerspace?

A makerspace is a shared workshop and dedicated community space. It provides the local area with tools, equipment, and space in order to create.

A monthly membership to CoG gives you access to:

3D printers - laser cutters - electronics - wood working - welding
metal machining - fiber arts - crafting - coworking areas
meeting rooms - a community of other makers

Can I take a tour?

Of course! Every Tuesday from 6:30pm - 9:00pm is our Open House and Social Night. Stop by to get a tour! If you would like to schedule a different time, contact us at info@tvcog.net

How do I join?

All of our membership options are available on our website. Anyone with a passion to create or is looking to find one is welcome to join! Financial assistance is available to individuals with demonstrated financial need, and to individuals running a new small business in Troy.

Check out our website and follow us on social media to learn more!
